

Social Skills Group Playing and Learning to Socialise

for 3½ to 5 year olds

This group program is run by our certified practising speech pathologists. This group is appropriate for children who will be attending school in 2021 and children who have difficulties with their social skills. This group will focus on a range of areas including; greeting others, talking and listening, taking turns, understanding feelings and problem-solving in social situations.

Requirements

- Please bring morning tea and a drink
- Parents are not required to stay for the morning

We have limited spots so you need to book and pay the deposit as soon as possible.

Please contact Gabrielle at gscanlon@educare.net.au or phone reception on 4943 4444 to make a booking.
