for Girls

SOCIAL COMMUNICATION SKILLS PROGRAM FOR TEENAGERS AGED 13 - 16 YEARS

The group will be run by our certified practising speech pathologists. The group focus on building skills to make and keep friends and help students feel comfortable in social situations including; understanding how to work out what someone may be like as a person, thinking about people in terms of their character, remembering things about peers (interest, facts, character), using information (interests, facts, character) to think about activities that peers may like to do or what to talk about and being 'people smart' and getting along.

Requirements

- Please bring morning tea and a drink
- Parents are not required to stay for the morning

We have limited spots so you need to book and pay the deposit as soon as possible.

Please contact Katrina at kallan@educare.net.au or phone reception on 4943 4444 to make a booking.
